Choosing an Online Quran Teacher

10 things to compare. Write each academy's answer in a column.

	Ask	Academy 1	Academy 2
1	**Teacher qualifications** Ask about ijazah and studies.		
2	**Who selects the teachers?** Ask how teachers are chosen.		
3	**Live or recorded?** Live lessons let the teacher correct you at once.		
4	**Can parents sit in?** Ask if parents can join lessons.		
5	**Are lessons recorded?** Ask if they are, and who can see them.		
6	**One-to-one or group?** Ask what is offered.		
7	**Free trial** How long is it?		
8	**Price and hours** What does a month cost?		
9	**Schedule and cancellations** What if you need to cancel?		
10	**Feedback** How will you know progress?		

How to use it: write the answers side by side, do a trial lesson with your top two, and trust how the lesson feels as well as the list.
